

Saeco *Phedra*

Versatility meets enjoyment.

Ideas with Passion

Saeco

Saeco Phedra

Enjoyment in every mini-break.

When choice is always yours, you are bound to be delighted – that's the elegant Saeco Phedra.

The semi-automatic table-top vending machine is available in four versions (Espresso, Espresso with Cappuccinatore for fresh milk specialties, Instant and TTT for both espresso and paperless fresh brew coffee) and dispenses up to 8 different products.

Thanks to this versatility the Saeco Phedra is the perfect choice for smaller locations, offices and HORECA applications.

Main features

- Saeco Brewing Group with Saeco Pre-Heating System for excellent espresso
- Generous container capacity
- Easy cleaning and maintenance thanks to “seagull wings” opening on the door
- Aesthetic and easily customizable U-Profile front: stickers for the front door, silkscreens for the sides
- User-friendly interface with LCD graphic display and easy-to-read mechanical buttons
- High-class stainless steel dispensing area
- Predisposition to fit the payment system on the front
- Predisposition to fit the new powder dispensing system
- Available in tall cup version for 20 oz cups and jugs
- The machine is designed for easy use even by persons with disabilities

Functionality in

LCD graphic display and 8 mechanical easy-to-read buttons ensure a high level of usability – just push the button and enjoy.

User-friendly interface

Another asset underlining the great usability of this vending machine – the payment systems can be inserted right on the front door so no lateral box is needed.

Front door with payment system

Any service operation can comfortably be done standing upright thanks to the “seagull wings” opening – cleaning and maintenance becomes effortless.

“Seagull wings” opening

Noble material, elegant design – the dispensing area of the Saeco Phedra is as functional as it is beautiful.

Phedra dispensing area

every feature.
