

# Office Two

Engaging design and compact dimensions for Office Two, the capsule coffee machine perfect for small offices.

It ensures a top quality espresso and hot water dispensing for the preparation of tea and herbal tea to satisfy all needs. User-friendly thanks to the simple user interface, Office Two is equipped with height-adjustable cup holder and autonomous tank.

## Main features

- Capsule piercing and ejection automatic system: easy cleaning and maintenance
- Possibility to use cups of various dimensions thanks to the height-adjustable support
- Flexible water tube
- Ergonomic handle for activating the capsule loading system
- Metal capsule loading system
- Washable and laterally removable dump tray
- Washable and frontally removable drip tray
- Immediate user interface thanks to the 3-positions knob (hot water start, stop, coffee start) and the button for continuous coffee dispensing

- The practical sealed capsule is easy and quick to use and contains the ideal coffee dose, ensuring a perfect espresso with unspoiled aroma and flavour

## Accessories

- Kit for water softener cartridge
